New Business

Discussion of printing t-shirts with large club logo. Neisen will pursue with Regina and others to get prices, availability and ordering options.

Discussion ensued regarding offering short pre-ride clinics. Safety info could be reviewed as well as some easy bike maintenance tips. Although the board thinks offering these is a good idea, the members felt that we need to discuss another venue instead of immediately preceding a ride.

Dave will send out a message reminding us all of safety tips for the upcoming ride season.
